To the Bride & Groom,

Thank you for considering APC Entertainment for your event. Here is the information packet that we've prepared for your review. We would love to provide entertainment services for your event, and hope to meet and work with you in the future.

O.K., here comes the spiel: Although APC has done over 1000 weddings and hundreds of other types of events including Bar & Bat-Mitzvah's, Corporate events, Birthdays, and many others, we realize that your event is the only one that matters to you and as contrived as it may sound, for many reasons, personal & professional, We care a lot about that. We sincerely believe in giving you all of the personal time required to insure not only that your event goes smoothly, but that you hear the music that you want to hear, all special announcements are made, and that you feel comfortable knowing that your special day will unfold as it should. As a professional company, we know that "word of mouth" is the best advertisement there is. You see, when APC does an great job at your event for a fair & reasonable price, you'll tell all of your family & friends. APC will work in conjunction with the photographer, videographer, venue staff, your wedding coordinator and all others involved so that all you have to do is show up and enjoy the party.

APC Entertainment has been in the mobile D.J. and M.C. business for over 15 years. Our credits range from performing for an intimate gathering of 20 people to thrilling an audience of over 15,000. APC is quite confident that our entertainment professionals can make your event one to remember for all who attend. The founder of APC Entertainment, Allan P. Cason, has been actively and successfully involved in the entertainment industry for over 30 years and has utilized all of that experience to personally select the very best entertainers available through an extensive screening and auditioning process. Only then will they will even be considered to be sent out in the company name, because an impeccable performance track record is vital to our reputation. In addition to our mobile D.J. and M.C. services, We can also coordinate many other entertainment services such as show production, vocalists, bands, musicians, magicians, videographers, celebrity impersonators, etc., etc. If you have any questions or concerns, feel free to call our office at (714) 282-2205
